Testimonial

From Betty, a resident of Abbeycliffe – June 2019.

Hi, my name is Betty, I first came to Abbeycliffe in February 2018 and have since been very happy here. I find it to be lovely and pleasant and the staff are generally very good to me. They have a good selection of meals with hot dishes being my favourite. I have 3 sons who like to visit me and that regularly take me out for walks or for some lunch. I am very happy here.

Inhouse Activities

The residents have enjoyed performances from **Wayne Allen** on 31st May and from **Ian Jenkins** on 1st May and 18th June.

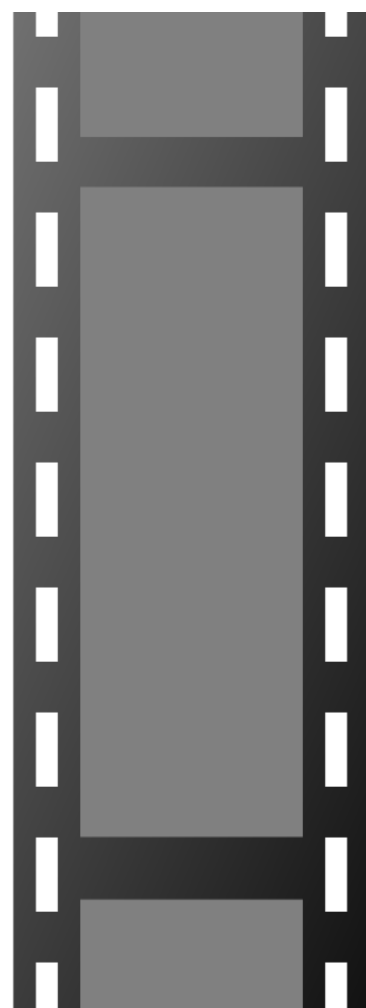

MOVIE NIGHT – THE LAUNCH OF THE NEW PROJECTOR

On Friday 5th April we had the launch of the new projector screen for movie night. We watched Mama Mia and had a fantastic night singing and dancing along to all the Abba classics.

They have also enjoyed movie nights on 3rd May and 8th June.

Movie nights have now been moved to the first Saturday evening of the month.

Events

On Wednesday 17th April some of our residents had a trip out to the Welly Community Café for the Easter afternoon Tea and Cabaret. They had a great time and enjoyed a selection of sandwiches and cakes.

On Wednesday 26th June, our residents welcomed Ester Martin and her clothes show. This was an opportunity for all our residents to purchase some new clothes.

On Thursday 6th June some of our residents enjoyed a trip out to Radcliffe Rotary Club for the Golden Olden Afternoon Beach Party. The residents enjoy dancing and singing along with their resident singer Jessica.
